

One More Day

(Austin COGIC)

Chorus

I thank you Lord for one more day.
For starting me along my way
You've given me your love and grace
Thank you, Lord, for one more day, one more day!

Verse 1

When I rose this morning see the bright sunshine
Looked on my family, they were doing fine.
I looked towards heaven, and I began to say.
Thank you, Lord, (**Thank you Lord for one more day, one more day**)

Verse 2

Rose from my bed, stood on my feet.
I looked on my table, gave me food to eat.
Lord, I didn't complain that you always made a way
Thank you, Lord (**Thank you Lord for one more day, one more day**)

Chorus 2

I thank you Lord for health and strength,
The activities of my limbs.
I should have been sleep in my grave
Thank you, Lord (**Thank you Lord for one more day, one more day**)

Special

I learned to praise him through my pain (**the more I praise you the better I feel**)
I learned to praise him whatever life may bring (**the more I praise you the better I feel**)

I got fooled along the way (**I thank you**)
Had to fast and pray (**I thank you**)
Lord made a way (**I thank you**)
So I want to say (**I thank you**)
If it had not been (**I thank you**)
For the Lord holding my hand (**I thank you**)
I'd died in my sins (**I thank you**) but Lord you brought me in

I want to say thank you (Thank you Lord)

Thank you (Thank you Lord)....

Lord I may not live (**I thank you**)
In a house upon a hill (**I thank you**)
May not be the one (**I thank you**)
Driving that fancy car (**I thank you**)
Lord you've given me (**I thank you**)
All that I need (**I thank you**)
So I want to say (**I thank you**) Thank you for every day

I want to say thank you (Thank you Lord)

Thank you (Thank you Lord)....

Thank you, Lord, for one more day, one more day
